91%

EXPERIENCE

Softpro India Pvt. Ltd. Lucknow

Web Intern

July 2024 - August 2024

- I contributed to the development of web applications using the MERN stack (MongoDB, Express.js, React, Node.js). I collaborated with a team to design and implement user interfaces, build RESTful APIs, and optimize database performance. I also gained hands-on experience in version control, code reviews, and agile methodologies, enhancing my skills in full-stack web development..

Dabotics Pvt. Ltd. Bareilly

Web Developer Intern

Nov 2023 - Jan 2024

- Acquired MERN stack knowledge and learn to how to integrate APIs call
- Learned practical implementation, developed skill using basic Web development skill .
